

LEAD NOW!

LEADERSHIP DEVELOPMENT MODEL

STEWART
LEADERSHIP

Management Core

The following are the 5 Management Core Functions for successful managers and supervisors to develop before they progress to the 21 Leadership Dimensions.

1) Planning:

Knowing the business, setting goals & expectations, clearly communicating

2) Organizing:

Prioritizing workload, managing conflict & delegating

5) Following Through:

Holding others accountable, walking the talk, and measuring performance

3) Empowering:

Engaging others, willing to try something new, understanding the culture

4) Teaming:

Selecting, developing, and retaining employees; working across teams
